

Hi, I'm Bailey the Butterfly! I need some cool new wings. Can you help? If you colour me in you could win an ID chart of NZ butterflies, seeds or even a copy of "The Monarch Butterfly in NZ" by George Gibbs.

Get an adult to post me on Facebook or Instagram and tag MBNZT to enter the draw to win! Or you can scan the QR code and send an email to: bailey@nzbutterflies.org.nz

Butterflies are beautiful and fun members of our ecosystem! Please remember to have swan plants you should grow them from seeds or buy pesticide-free. This will help our friends like Bailey to grow healthy and strong.

Not sure if your plant is pesticide free? Keep an eye out for our 'Approved by Butterflies' tick in your local garden centre!
